

FRISCO TO ADVERTISE OZARKS

Jefferson City, Mo., Nov. 4.—Governor Hadley learned today that the St. Louis & San Francisco Railroad Company has set apart \$20,000 for advertising the farming, dairy and poultry raising possibilities of the Ozark regions. The information came from General Passenger Agent Hilton. This sum will all be expended within the next twelve months and will consist largely in compiling and publishing such information as will tend to attract attention to the industries already named. The company will have the support of J. H. Kern and two other members of the State Bureau of Immigration.

The jury in the case of E. E. Morris against the Frisco railroad, failed to agree yesterday morning and were discharged by Judge Page in Division No. 2. This case grew out of Morris being ejected from a Frisco train in July, between Dorchester and Brookline, when he claims that he had a ticket in his possession that he could not find immediately.—Springfield Republican.

Croup Cured and a Child's Life Saved

It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child Andrew, when only three years old was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Remedy his life was saved and today he is a robust and healthy boy," says Mrs. A. Coy, Jr., of San Antonio, Texas. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by all druggists.

C. Lewis, the reliable Druggist of Monett, is having calls for "HIN, DIPO," the new Kidney Cure and Nerve Tonic that they are selling under a positive guarantee.

Its merits are becoming the talk of the town and everybody wants to try it, and why not? It costs nothing if it don't do you good—not one cent.

They don't want your money if it does not benefit you, and will cheerfully refund the money. Try it.

Ridiculous: Wife—"Now, see here, Jim; if yer don't provide fer me better I shall quit—so I warns yer. Husband—"Provide better? Well, I like that. Why, ain't I got yer three good jobs o' work this last month?"—The Sketch.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers.

AFFIXING THE STAMP

The dainty little creature stepped down from her auto and whisked up to the stamp window crowding in ahead of half a dozen people waiting to be served. After taking a dozen or more articles from her hand bag, she found the letter which she insisted on having weighed, although the clerk had assured her one stamp was sufficient. After another rummaging through the hand bag, the stamp was finally paid for and was handed to her with the letter.

"Must I stick this on myself," she asked.

"Do as you like, madam," replied the clerk, "but it will do more good if you stick it on the letter."—Postal Service Magazine.
